

Independent Lateral Raise S 9 1 9

SportsArt Status Series has 13 pieces designed to target specific muscle groups in the upper body. We understand that variety is essential for gym users to progress and achieve their goals. For this reason, we have designed at least two options to exercise each muscle group, providing choices for the gym and its members.

- Handles rotate naturally throughout the motion and reduce wrist stress
- Gas-assisted seat adjustment puts you in the proper position for action
- Foot rest helps maintain biomechanically correct exercise position
- Incremental 3.5 and 6.5 lb. micro-loading adjustments
